There is also a lounge and dining room with furniture.

Hunting and Amenities

The reserve is fairly small (+-780ha) and you can get around to all the parts easily in a day if you want to. There is NO cold room available and hunters must make alternate arrangements for cold room facilities. Hunters must also carry with them knives, saws, brushes, etc. for processing their animals. No services will be provided by Reserve Management.

Getting there

Coordinates to the Reserve's main gate 28°17'22.4"S 30°56'55.3"E

Traveling from Babanango along the R68 towards Nqutu, turn right approximately 17 km outside of Babanango onto the gravel road to Vryheid. (Approximately 1 ½ km prior to reaching this point you would have passed a tar road on the left-hand side of the tar road leading to Nkandla). Driving along the gravel road to Vryheid you cross the Ntinini River and continue travel along the western bank of the river. Approximately 13 km along this road (from tar road turn off) is Ntinini hamlet, turn right at the store (not much of a store but a conspicuous blue building) and travel towards Zungeni hill in an easterly direction for approximately 3 km before reaching Ntinini Game Reserve.

When you get to the Ntinini gate you will see a thatch guard house and a wire fence gate. There is a boom which was not being. You will not find anyone at the gate. Make your way in and close the gate behind you. Follow the road into the reserve and keep an eye out for the lecture room on your left-hand side. Go past this and follow the well-used road until you get to a homestead. Someone will come out and you can notify them that you are there for hunting.

Licence Fees

Provincial Game Licence fees are not included in the packages. Hunters are requested to purchase these licences before their trip to Ntinini. Licences can be purchased from their Hunting Association or any Receiver of Revenue Office in KwaZulu-Natal. Selected sports shops and hunting associations in KwaZulu-Natal also sell these licences.
